

# Jules Purnell

Speaker.  
Educator.  
Activist.

*Featured in:*

Focusing on topics of gender, sexuality, relationships, sexual health, race and class dynamics, and building bridges between medical professionals and their transgender clients, Jules Purnell is an accomplished educator and speaker with seven years in the field of sexuality education.

There is a unique perspective, developed as one who has lived life inhabiting multiple genders. Whether speaking to adults or youth, LGBT+ or straight/cisgender audiences, Jules is adept at appealing to folks from many walks of life and knowledge bases.

Compassionate, knowledgeable, and non-judgmental, Jules is able to elucidate even complex topics of gender and sexuality for academics and laypersons alike.

- ❏ Pegging Like A Pro
- ❏ Consent In Motion

*Available for consultation on all of the above and more!*

Jules speaking at "Transgender, Cisgender, Genderqueer, Trans: A Community Conversation."

Jules's speaking background includes many large events, such as the Philadelphia Trans Health Conference, Dark Odyssey: Winter Fire, the Transcending Boundaries Conference, the MESH(in), and Queer People of Color Movements: Art in Activism. However, they are equally comfortable speaking with more intimate audiences, such as their ongoing series of workshops at Sexploratorium/Passional, and small group discussions for medical professionals and students.

Jules is a current MEd student at Widener University's Center for Human Sexuality Studies.
